

Facebook Policy

Rationale:

Our school acknowledges that there are increasing numbers of people using social networking sites. The widespread availability and use of social networking applications brings opportunities to understand, engage, and communicate with audiences in new ways.

Aim:

Creswick North Primary School aims to

- ❖ grow our school and community's understanding of social media and to make connecting with our school more convenient for our families
- ❖ allow our community to keep up to date with activities through a medium which is preferred by many
- ❖ to seek input (through comments and 'likes') from our families
- ❖ build our school community by building our school spirit
- ❖ provide a positive focus for our school and bring everyone's attention to the things we do that make our school community great

Policy statement:

The school reserves the right to suspend or cease using Facebook at the discretion of staff and our school council. Where there are issues of a potentially serious criminal nature such as threats or inappropriate comments, the matter will be referred directly to the DET governing body and Police.

Implementation:

❖ IDENTIFIABLE ACCOUNTS

A Creswick North School staff member along with the principal will be the administrators of the school page.

All material to be posted must be proof read and approved by the administrator or principal before being posted

All users (following or commenting) interacting with Creswick North Primary School's Facebook page, must do so using a Facebook account that is identifiable

❖ POSTING COMMENTS

Creswick North Primary School encourages families to share positive comments in relation to current events. We remind members of our community that there are many issues which are best dealt with privately, in consultation with relevant staff members. Issues involving students or staff must not be raised on our Facebook page. When comments are made we are happy for people to register their support through a Facebook comment or a 'like'. We will however, not support interactions that incite negative sentiments. Names of staff, students, or school community members must not be used in any negative postings

❖ **WHEN CAN I USE NAMES IN POSTS?**

You can use names in posts when you wish to acknowledge someone's great work or community contribution. Our philosophy is that our Facebook page will be used to build our school spirit, inform our community about our work, and connect people

❖ **HOW TO INTERACT WITH THE FACEBOOK PAGE**

Initially, users will be able to comment on the school's postings and on comments made by other users. Users will also be able to 'like' or post a comment by clicking on a button. Users will not be able to author a posting of their own or load media such as video or photos

❖ **UNDERAGE FACEBOOK USERS**

Creswick North Primary School does not endorse children under the age of thirteen years of age (a threshold imposed by Facebook), having their own Facebook account. We encourage children, under parental supervision, to view our school's Facebook page and contribute to content. We believe the conduct of our community members on our Facebook page will serve as a role model for our students on how to behave in social media spaces

❖ **MODERATION AND BLOCKLISTING**

Creswick North Primary School reserves the right to set the strength level of the Facebook profanity filter and to add additional words and names to the page's blocklist. Actions resulting in deliberate breaches to this policy may include prohibiting a user from interacting on the school's Facebook page

❖ **PRIVACY**

Parental consent for the use of student names and photos will be obtained on an annual basis

❖ **THE LAW AND FACEBOOK'S TERMS**

Creswick North Primary School's Facebook page operates under the Commonwealth Telecommunications Act and Facebook's Terms
